

BALLET/DANCE CLASS CODE OF CONDUCT

Always be **kind** to yourself, your classmates and teachers.

Be a good **listener** to both your teachers, friends and the music.

Please put your **hand up** when you have a question. **Avoid shouting** out and disrupting everyone's learning.

Be **brave** and try new steps and ways of moving and expressing yourself. It is **OK** to make mistakes. Mistakes are important for our learning.

Encourage your classmates to be good learners and help them be **brave**.

Always do your **best effort** in class. That will make you feel proud, and you will be able to see your progress.

Arrive early to your lesson to allow time to get ready and use the bathroom. Ideally, you will arrive in your ballet gear.

Girls: have your **hair up in a bun or neatly tied back into a ponytail** ready for class. This will help your posture and attitude in class.

If you arrive late **do not interrupt** the music, exercise or teacher. **Wait quietly** at the side until the exercise is **completed**.

Always be **grateful** for the opportunity to dance and learn. Remember to **thank your teacher** and your **classmates** before leaving class. That will put everyone in a good mood for the rest of the day.
